

CONFIRMATION OF UNDERSTANDING  
ABOUT PARTICIPATION IN HEMLOCK SOCIETY OF SAN DIEGO  
EDUCATIONAL MEETING MARCH 18, 2018

I, \_\_\_\_\_, have been invited to participate with a group of people in a show-and-tell, educational session (the “Meeting”) on March 18, 2018 on the Nitrogen method of self-deliverance.

I understand that it is a crime in some states for anyone to aid or assist in a suicide, to provide another person with the “means” to commit suicide, to “advise” about suicide, or to “encourage” suicide, and the organizers of the Meeting are intent on not violating any such law. In order to ensure that any such law is not violated by the organizers and participants at the Meeting, I affirm that I have not been “advised” in favor of suicide, and that I have not been “encouraged” to commit suicide. In addition, I agree and represent that I have no current intention to commit suicide or to use the Meeting to facilitate my suicide or that of anyone else. I represent that I am over 21 years of age.

I represent to you that I am here solely to learn the facts about methods of self-deliverance in order to enable me to better understand the subject.
